**Information concerning Learning Agreements and courses outside your nominated field of study (sorted by fields of study)**

**Learning Agreement (3rd column):**

- \* ) Below please find some information on how **your mobility coordinator at the department** would like to proceed with the Learning Agreement.
- \* ) **In case there is no information provided please contact your mobility coordinator directly.**
- \* ) More detailed information can also be found on our website under "Course Choice/Learning Agreement".

**Courses outside your nominated field of study (4th column):**

- \* ) Furthermore you can find **some general information** on whether it is possible to attend **courses within a certain programme if it is actually outside your nominated field of study.**
- \* ) However, **after your arrival**, the details of your study plan have to be **discussed with the respective mobility coordinator** (except if another person is particularly mentioned in the 4th column). By that time, the current course catalogue will already have been published online.
- \* ) In case you attend courses from different fields of study, please note that you have to fill in separate Learning Agreements for each field of study, as these courses need to be signed off by the respective mobility coordinator of that particular field of study.
- \* ) **Please note: For those fields of study not listed here, contact the mobility coordinator of that particular field of study directly in order to discuss course participation, after your arrival in Vienna.** However, it cannot be guaranteed that there will be a place available to attend any such additional course(s) outside your nominated field of study.
- \* ) You can get the contact details for a mobility coordinator of another field of study on request at our office after your arrival in Vienna.
- \* ) **In case you are interested in widening your German skills** please note that there are **no language courses offered at the department of German Philology** (also the area 'German as a Foreign Language' does not offer language courses). **Information** regarding German courses at the Language Center of the University of Vienna can be found here:

Education Science	<a href="#">Studener-Kuras</a>	<p>1. No. It is requested that you get the Learning Agreement signed personally by the Erasmus coordinator during consultation hours once you are in Vienna. Registration for courses via U:SPACE is necessary, but due to limited space a place in the course is not guaranteed. U:SPACE 'decides' electronically if the course registration is accepted. If you do not get into the course you wanted, it is recommended that you either personally discuss the matter with the respective course instructor or consider alternative course options already in advance.</p> <p>2. Any information that is not found in the course catalogue unfortunately cannot be provided by the mobility coordinator since he has no further information to offer.</p>	Yes, but in the case of seminars only in accordance with available places. Participation in thesis seminars (BM 23, 24, and 25; M 17) is generally not permitted for Incomings.

Field of study	Last name of mobility coordinator	Does the mobility coordinator in Vienna require your Learning Agreement before your arrival in Vienna? / Further remarks	Is participation in courses possible if outside the nominated subject area?
