

The ETH Institute for Theoretical Studies (ETH-ITS) presents:

## Workshop „Mathematical Finance beyond classical models“

September 16 – 18, 2015

Semper Aula HG G 60

at the Department of Mathematics at ETHZ

### Invited Speakers:

**Beatrice Acciaio**  
London School of Economics

**Mathias Beiglboeck**  
University of Vienna

**Fred Espen Benth**  
University of Oslo

**Rama Cont**  
Imperial College London

**Christa Cuchiero**  
University of Vienna

**Christoph Czichowsky**  
London School of Economics

**Yan Dolinsky**  
Hebrew University Jerusalem

**Damir Filipovic**  
Ecole Polytechnique Federale de Lausanne

**Elise Gourier**  
Princeton University

**David Hobson**  
University of Warwick

**Antoine Jacquier**  
Imperial College London

**Jan Kallsen**  
Kiel University

**Ioannis Karatzas**  
Columbia University New York

**Kostas Kardaras**  
London School of Economics

**Doerte Kreher**  
HU Berlin

**Marcel Nutz**  
Columbia University New York

**Soumik Pal**  
University of Washington

**Mathieu Rosenbaum**  
Universite Pierre et Marie Curie Paris

**Walter Schachermayer**  
ETH-ITS and University of Vienna

**Thorsten Schmidt**  
University of Freiburg

**Mete Soner**  
ETH Zurich

**Josef Teichmann**  
ETH Zurich
